Facility Accessibility Policy

Below are facility accessibility requirements for all Royal York FC programs.

INDOOR FACILITIES:

- Facility must be labeled as somewhat accessible (minimum): i.e. at least one level entrance with power doors and a washrooms without barriers.
- Must have accessible male and female washrooms
- RYFC Coaches and staff check facility accessibility prior to using it for our programs

OUTDOOR FIELDS:

- Level (even) playing surface (no pot holes in the field)
- Level access to the field, no barriers
- Fields are tucked in, away from busy roads and highways
- RYFC Coaches check the fields accessibility prior to using it for our programs

Facility booking procedure:

All Royal York FC grassroots programs are run at least somewhat accessible facilities:

- Indoor facilities (gyms and turfs): at least one level entrance with power doors and a washrooms without barriers

- Outdoor facilities: Level access to the field, no barriers

Facilities are booked centrally from our Front Office and all our staff is aware of standards. Royal York FC is not adverse to formally requesting accessibility enhancements as permit holders from schools and community centers if we feel that these facilities need improvement in terms of accessibility.
